and sayings as well as difficult vocabulary

These have been reformatted for use on a Kindle so that ESL Kindle users can practice reading the dialogues out loud and discuss the language used with their tutor or with each other. These eBooks contain just dialogues. It is up to the tutor to create their own lessons around these dialogues. Some suggestions include: a) Library lend the file to other Kindle users and create a play in the classroom b) Create listening test questions and use the text-to-speech function on Kindle c) Create a discussion about some of the phrases used For ESL tutors, the ideas are endless. As a tutor I've always found dialogues to be useful in vocabulary acquisition, pronunciation practice, confidence building, and more besides. Students regularly comment on how useful the dialogues are and always request more, which is why there are more dialogues on the way. Includes special sessions.
