He's confident and has enough confidence to last two lifetimes. And I hate him. It wouldn't matter so much if he were avoidable, but considering he's my older brother's best friend and roommate, I see him more than I'd ever want to. His sculpted, gorgeous eyes are wasted on such an arrogant man, which makes me hate him even more. Even though I've had a crush on him since I was ten, the feelings weren't mutual and he's always made that very clear. He's always loved getting into my bed and one night against my better judgment, I let him in my bed. I've succumbed to his manwhore ways, but that's not a thing. Because the King is about to get played at his own game and lose. Checkmate. ***The sparkling Christmas from the Sunday Times bestselling author Heidi Swain!*** Will love bloom this winter?
